and way below cost. A few well-known makes are "having their run" and nothing else goes. In other words, many brands that were "all the go" a few years since are now "out of the race," yet are as good in quality as the popular makes. We have many of the present leading brands of Cut Plug, also Plug, either smoking or chewing, which we will sell at cost. Our best trades are, however, on Tobaccos which were popular a few years since—these a little out of style—which we will sell far below wholesale cost. We enumerate many such, as follows: Toddy, Lorillard's, Mahogany 5, Every Day Smoke, Something Good, Yarborough, Cable Roll, Farmer's Solace, Tanager, Biggest and Best, West, Stone & Co.'s Smoke, Honey Chunk, Independent Navy, Heavy Hitter, Lucky Strike, Old Kentucky, Nabob, Tomahawk, Mayo's Double Thick, four ounces, Old Traveler, New Smoke, Big W, Rising Sun, Monogram, Golden Seal and Planter. Buy these out of style brands and save bunches of money. Try it and then buy a box way below cost. Come quick, before best trades are closed.
